

LIZA MARIE Garcia

TOPICS

Deliberate Choices

Each Day, Each Hour what deliberate choices you make consciously and unconsciously.

Team

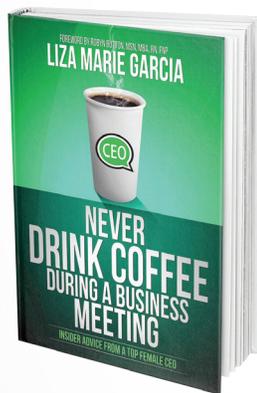

How to assemble a team, motivate a team and when are the times you don't need your team.

Risk taking

They can only say NO, how to apply this not only in business but in all parts of your life.

BOOK

"Never Drink Coffee During A Business Meeting" describes how one woman successfully shattered her own glass ceilings by packing her Coach briefcase with the wit and wisdom of the powerful women she met on her way to the top.

While reading this book, you will learn why you should aspire to new potentials not new positions, how to get a little game going in golf and why you should learn to love Sunday Night Football, what single article of clothing that might just be the women's equivalent of a power-tie, and where to find Mentors: the secret weapon of all female CEO's.

ABOUT LIZA MARIE

Liza Garcia was 27 years old when she started her first IT Telecommunication-based software firm and was one of the first female software design engineers for IBM. This company, based in both Seattle and Portland markets brought national and international exposure to her and her team. Throughout this experience in what was nearly 100% male-dominated industry, she learned the rules for not only working in corporate America, but gained the respect which led to her reputed voice in that environment. She is currently CEO of Enterprise Communication Services.

Ms. Garcia is an active member of the International CEO think tank group "Vistage" in Tampa, a certified women's mentor through Mentoring Women's Network, and a distinguished member of the Board of Directors for "Little Light of Mine"- a foundation which provides photography services to families who have a child facing life-threatening illnesses.

Liza is a member of the Tampa Hispanic Chamber of Commerce, The Chamber of Commerce of St. Petersburg and Working Women of Tampa Bay.
